

## Attention Engineering Students: Come and learn about the career opportunities in Australia's processing & packaging industry

### Why attend Education Day?

- ✓ Learn about the career opportunities in Australia's processing & packaging industry
- ✓ Meet potential future employers
- ✓ Free to attend

### INTERESTED?

Register your interest with your course tutor before 24 FEBRUARY 2024

### What is APPEX?

APPEX is Australia's largest business to business event showcasing packaging machinery, robotics & automation, food processing machinery, components & ancillary equipment for Australia's manufacturing industry. Over 350 exhibitors filling the entire exhibition centre.

### What is Education Day?

A morning program designed to give engineering students an overview of the career opportunities in this sector. It will start off with some short talks, including stories from recent students who now work in industry, demonstrations to attend and then free to explore the show and chat with prospective employers who will be expecting students.

### When is Education Day?

Education Day will be held on the final day of APPEX 2024, Friday 15th March, from 10:00 - 11:30am
